As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with different prices on each page. Make sure that your gross sales copy is strictly the same on every web page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum value is.
