If these clients have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales page for the brand new e-book, however do not include a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with totally different costs on every page. Make sure that your gross sales copy is exactly the identical on

every page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum worth is.

In the end, in case you've written a guide that solves a downside or presents a brand new method, your e-book will bring in each traffic and profits.
