Ensure that your gross sales copy is precisely the similar on every page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum worth is.

Finally, when you've written a guide that solves a downside or presents a new technique, your book

will usher in each site visitors and profits. So remember to write that selling-deal with sentence that sums up what drawback your book solves and what the benefits of your 1016 book will probably be to the customers who purchase it. And then watch your market come to you!
