page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with totally different costs on every page. Make certain your gross sales copy is precisely the identical on every web page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum worth is.

Finally, if you've written a book that solves a problem or presents a new technique, your book will bring in both site visitors and profits.
