As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with completely different costs on each page. Ensure your sales copy is strictly the similar on each

page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum price is.

In the end, if you've written a ebook that solves a drawback or presents a brand new method, your guide will bring in both traffic and profits.
