An effective technique for determining a value is to send out a survey to your present customers. If these clients have already bought an ebook from you, ask for their opinion in terms of price. Do that by making a gross sales page for the brand new ebook, but do not include a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with different costs on every page.
