As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by making a number of duplicate sales pages with different

costs on each page. Be certain your sales copy is strictly the same on each page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum price is.

Ultimately, should you've written a guide that solves a drawback or presents a new approach, your e-book will herald each visitors and profits.
