Do that by making a sales web page for the new book, however don't include a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with completely different costs on each page. Ensure that your gross sales copy is strictly the same on

each web page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum price is.
