sales at a high price. In case your ebook solves a problem or answers questions in a new and unique method, it's best to value your ebook as high as you may go. Just be prepared for your competition to undercut you on value as quickly as they hear about your book.

Remember that the above pricing strategy is temporary. Eventually, you will stop to promote books at this excessive price. So work out in advance how long you plan to offer your e-book at this high value, and when that point is up, change your pricing strategy.

If you want to see giant income over customer draw, goal for an audience that is searching for straightforward options to their problems at a low price. In case your ebook is aimed at fixing one particular drawback slightly than basic recommendation, then you can charge more. Begin at the highest value the market will bear to usher in the largest profits, and plan to discount the e-book a number of occasions all through the year.
