An effective technique for figuring out a value is to send out a survey to your current customers. If these clients have already bought an book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the brand new book, but do not include a worth on that page. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum worth is.

Finally, for those who've written a ebook that solves a problem or presents a brand new approach, your e book will usher in both traffic and profits.
