One other technique is to check out costs by making a variety of duplicate sales pages with totally different costs on every page. Ensure that your gross sales copy is precisely the identical on each web page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum price is.

Finally, for those who've written a guide that solves a drawback or presents a brand new approach, your book will herald each site visitors and profits.
