sales and promotional material, and each time anybody asks you about your ebook.

Do that by making a gross sales page for the new book, however do not embody a price on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by making a variety of duplicate sales pages with different prices on every page. Make certain your sales copy is exactly the identical on every web page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between guests to your website and sales of your book. It will inform you what your optimum price is.

Finally, if you've written a guide that solves a drawback or presents a brand new method, your ebook will usher in both visitors and profits. So be sure to write that promoting-handle sentence that sums up what downside your e book solves and what the advantages of your 198 book will be to the purchasers who buy it.
