Another strategy is to test out costs by creating a number of duplicate gross sales pages with different prices on every page. Be certain your gross sales copy is exactly the similar on every web

page, and consists of your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum price is.

Ultimately, when you've written a ebook that solves a problem or presents a new technique, your book will herald both site visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what downside your guide solves and what the advantages of your 2026 e book will likely be to the shoppers who buy it.
