An effective method for determining a value is to send out a survey to your current customers. If these clients have already purchased an ebook from you, ask for their opinion in terms of price. Do that by making a sales page for the new e-book, however do not embody a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Make sure your sales copy is precisely the identical on each web page, and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum worth is.

Ultimately, if you happen to've written a book that solves a drawback or presents a brand new technique, your book will usher in each traffic and profits.
