If these prospects have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by making a sales web page for the new ebook, however do not embody a value on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with totally different prices on each page. Make sure your sales copy is precisely the identical on every

web page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum value is.

In the end, for those who've written a e-book that solves a downside or presents a new approach, your guide will bring in both traffic and profits.
