Do this by making a gross sales web page for the new ebook, however don't embody a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out prices by making a variety of duplicate gross sales pages with totally different costs on each page. Be certain that your sales copy is precisely the same on each

page, and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum worth is.

Ultimately, when you've written a e book that solves a drawback or presents a brand new approach, your book will usher in both site visitors and profits.
