Advertising and marketing Methods

The key that unlocks the gross sales potential of your e-book is to find a single sentence that becomes your selling handle. Then remember to use that sentence in each piece of sales and promotional materials, and each time anyone asks you about your ebook.

An effective method for determining a value is to send out a survey to your current customers. If these prospects have already bought an e book from you, ask for his or her opinion by way of price. Do that by making a sales web page for the new book, but do not include a worth on that page. Instead, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with completely different prices on each page. Be sure your gross sales copy is exactly the similar on each page,

and includes your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum worth is.
