An efficient approach for figuring out a value is to send out a survey to your present customers. If these customers have already bought an book from you, ask for their opinion in terms of price. Do that by creating a gross sales web page for the brand new ebook, however don't include a worth on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by creating a number of duplicate sales pages with totally different costs on each page. Ensure your sales copy is precisely the same on each page, and

contains your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. It will let you know what your optimum value is.

Finally, when you've written a e-book that solves a problem or presents a brand new approach, your ebook will bring in both traffic and profits. So you should definitely write that promoting-deal with sentence that sums up what downside your e-book solves and what the benefits of your 2521 ebook will likely be to the purchasers who purchase it.
