As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Make sure that your sales copy is exactly the similar on

each web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum worth is.

Finally, when you've written a book that solves a problem or presents a new approach, your book will usher in both visitors and profits.
