Do that by creating a gross sales page for the brand new ebook, but do not embrace a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Make sure that your gross sales copy is strictly the

similar on every web page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum worth is.

Ultimately, if you've written a guide that solves a drawback or presents a brand new approach, your ebook will bring in each site visitors and profits.
