If these clients have already bought an book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales page for the new e book, but don't embody a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with different prices on every page. Be certain your sales copy is precisely the similar on each page, and includes your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum value is.

Ultimately, for those who've written a e book that solves a downside or presents a brand new technique, your book will usher in each traffic and profits.
