As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with different prices on each page. Ensure your gross sales copy is strictly the same on every web page, and

consists of your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum price is.
