Do this by making a sales page for the new e-book, but don't include a value on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with completely different costs on each page. Make sure that your gross sales copy is precisely the same

on each web page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum worth is.

Ultimately, for those who've written a e-book that solves a problem or presents a new technique, your ebook will usher in each traffic and profits.
