An effective method for determining a value is to send out a survey to your present customers. If these customers have already bought an ebook from you, ask for their opinion by way of price. Do this by creating a sales web page for the new book, but do not embody a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with totally different costs on each page. Ensure your gross sales copy is strictly the same on every

page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum worth is.

Ultimately, for those who've written a e book that solves a drawback or presents a new technique, your guide will bring in both site visitors and profits.
