If these prospects have already purchased an book from you, ask for their opinion when it comes to price. Do that by creating a gross sales web page for the new guide, however don't embrace a value on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with totally different costs on every page. Make sure your sales copy is precisely the similar on each web page,

and contains your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum price is.

Finally, for those who've written a e-book that solves a downside or presents a brand new method, your ebook will bring in both site visitors and profits. So be sure you write that selling-handle sentence that sums up what problem your e book solves and what the advantages of your 501 e-book will be to the shoppers who purchase it. And then watch your market come to you!
