One other strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different costs on every page. Make certain your sales copy is precisely the similar on

each page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum price is.

Finally, if you happen to've written a book that solves a downside or presents a new method, your guide will bring in each site visitors and profits.
