Do that by making a gross sales web page for the new e book, however don't include a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by creating a number of duplicate sales pages with completely different prices on every page. Be sure your gross sales copy is precisely the identical on each web

page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and sales of your book. This will inform you what your optimum worth is.

Finally, when you've written a book that solves a downside or presents a new method, your guide will usher in both visitors and profits. So you should definitely write that selling-deal with sentence that sums up what drawback your e book solves and what the advantages of your 718 book will likely be to the purchasers who buy it.
