If your book solves an issue or solutions questions in a new and distinctive means, you need to price your guide as excessive as you'll be able to go. Remember that the above pricing technique is temporary. Finally, you will cease to sell books at this excessive price. So work out upfront how lengthy you plan to offer your e-book at this high worth, and when that point is up, change your pricing strategy.

If you want to see massive earnings over buyer draw, aim for an audience that is looking for straightforward options to their problems at a low price. If your e-book is aimed at fixing one specific downside reasonably than basic advice, then you may cost more. Begin on the highest price the market will bear to herald the largest earnings, and plan to discount the e-book a variety of occasions throughout the year.
