As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out costs by creating a variety of duplicate sales pages with totally different costs on every page. Make sure that your gross sales copy is strictly the same on

each web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your website and gross sales of your book. This can let you know what your optimum price is.
