Do this by creating a sales web page for the brand new e book, but don't embody a worth on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out costs by making a variety of duplicate gross sales pages with totally different costs on every page. Ensure your sales copy is exactly the same on every page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum worth is.

Ultimately, if you happen to've written a ebook that solves a drawback or presents a brand new
