Do that by creating a sales web page for the brand new ebook, however do not embody a value on that page. Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Be sure that your sales copy is strictly the identical on

each page, and includes your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum price is.

In the end, in the event you've written a e-book that solves a drawback or presents a brand new technique, your ebook will herald both visitors and profits.
